Lonicera Lift is the performance product that you want and need to be your best.

- Energy boosting effects similar to caffeine without the jitters, the crash and the habituation that often accompanies pure caffeine. Energy-boosting effects of Lonicera Lift have been shown to last hours!
- Powerful brain nutrients to help with neurotransmitter activity which may support focus, alertness, concentration and memory recall.
- Rather than focusing on a caffeine blast, Lonicera Lift brings together the synergy of energy producing nutrients along with key brain nutrients to create the ultimate feel good, be your best product.
- Powerful antioxidant compounds fight to support healthy cells and DNA including the naturally occurring C3G from Lonicera Caerulea.
