Smart Pay system

STEP 1

STEP 2

Place appropriate product order 80CV or more

STEP 3

Enroll your first customer with an order and promote to Brand Advocate

RETAIL SALES

Customers and Brand Advocates earn retail bonuses on all personally enrolled Customers. This depends on the Customer order, and is paid weekly. Example: You enroll a Customer who places an order for a bottle of Lonicera Longevity at \$64, you would earn a \$7 retail bonus. In addition, all retail orders carry commission volume (CV) that would go into the Smart Pay Unilevel.

SMART START BONUSES

When any of your personally enrolled Customers or Brand Advocates orders a Product Pack you will receive a Smart Start Bonus. No other qualification is necessary, and Smart Start Bonuses are paid weekly. The following are the current packs and the bonus paid:

PACK	PRICE	SMART START BONUS	CV
Smart Pack	\$199	\$30	\$100
Success Pack	\$499	\$100	\$250

SMART PAY UNILEVEL MONTHLY TEAM ROYALTIES
